Student Academic Record

Name: Department of Geology Year of Graduation:

(GPA):

Percentage:

General Grade:

Level (1)

Course	Score	Grade	Points	HRs	No. of Times
Algebra and Differential calculus		Excellent			
Heat and Properties of Matter		Very good			
Basic of Inorganic chemistry		Excellent			
physical and Historical Geology		Excellent			
Systematic Botany and physiology		Very good			
Introduction to Geophysic		Very good			
Geometry and Integration		Excellent			
Electricity, Magnetism, light and optics		Excellent			
Fundamental Physical Chemistry		Excellent			
Crystallography and Mineralogy		Excellent			
Subsurface Geology		Excellent			
Human Rights		Excellent			
Culture Material		Very good			
English language		Very good			

Level (2)

Course	Score	Grade	Points	HRs	No. of Times
Invertebrate MacroPaleontology		Good			
Optical Mineralogy and Rock_ forming Minerals		Very good			
Petrology		Excellent			
Structural Geology		Very good			
Chemistry of Non_Transition Elements		Good			
Methods of Geophysical Prospecting(1)		Good			
Waves and Vibrations		Good			
Sedimentation and Sedimentary Petrology		Excellent			
Stratigraphy		Excellent			
Igneous Petrology		Very good			
Invertebrate Micropaleontology		Excellent			
Methods of Geophysical Prospecting (2)		Very good			
Thermodynamics		Good			
Abstract Algebra		Excellent			

Level (3)

Course	Score	Grade	Points	HRs	No. of Times
Metamorphic Petrology					
Hydrogeology and Geomorphology					
Geochemistry					
Geotectonic					
Applied Geophysics					
Introduction to Probability & statistics					
Advanced Stratigraphy					
Microfossils and Vertebrate paleontology					
Marine Geophysics					
Subsurface Geology and Petroleum Geology					
Field Geophysical Training					
Engineering Geology					
Field Geology and Surveying					

Level (4)

Course	Score	Grade	Points	HRs	No. of Times
Hydrogeology and Geomorphology of Egypt	90	Excellent	4.0	3	1
Basin Analysis	83	Very good	3.3	2	1
Remote Sensing & Geologic Information System (GIS)	84	Very good	3.4	3	1
Geology of The Nile Delta & Quaternary	82	Very good	3.2	3	1
Basement Rocks of Egypt	92	Excellent	4.2	3	1
Economic Geology	94	Excellent	4.4	3	1
Graduation Project	98	Excellent	4.8	2	1
Ore Deposits and Radioactivity	89	Excellent	3.9	3	1
Stratigraphy of Egypt	85	Excellent	3.5	3	1
Petroleum Geology of Egypt	95	Excellent	4.5	3	1
Tectonic of Egypt	94	Excellent	4.4	3	1
Field Geological Training	88	Excellent	3.8	2	1
Petroleum Reservoirs Characteristics	78	Very good	2.8	3	1
