

KAFR ELSHEIKH UNIVERSITY

FACULTY OF VETERINARY MEDICINE

DEPARTMENT OF SURGERY, ANESTHESIOLOGY AND RADIOLOGY

Course report **(2015 / 2016)**

A - Basic Information:

1- Course title: Special Surgery & lameness (A, B)

2- Academic Year: 5th year of B. V. Sc. Programme

3- Total teaching hours: 120 hrs

Lectures: **60 hrs**

Practical: **60 hrs**

4-Basis of examiner commite formation: formation of examiner commmite by the board of department and the approval of the faculty council

4- Eternal evaluation for exam available (☒) not available (☐)

5- Number of teaching staff 2professor, 3 lecture,

B- Specialized information

1-Statistical Information

| | Number | Percentage (%) |
|---------------------------------------|--------|----------------|
| No. of students attending the course | 3318 | 100(%) |
| No. of students completing the course | 316 | 99.37(%) |
| Passed students | 315 | 99 (%) |
| Failed students | 3 | 1(%) |
| Grading of successful students | | |
| Excellent | 2 | 0.63(%) |
| Very good | 11 | 3.48(%) |
| Good | 79 | 25.07 (%) |
| Passed | 223 | 90.79(%) |

2- Course teaching

| | |
|-------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Topics were actually taught | Ophthalmology Surgical affection of digestive system Surgical affection of respiratory system Surgical affection of genital system Surgical affection of urinary system Hoof affections Forelimb affections Shoulder lameness Claw affections Hindlimb affections |
| Topics were actually taught of% | > 90% <input checked="" type="checkbox"/> 70-90% <input type="checkbox"/> < 70% <input type="checkbox"/> |
| % Commitment with syllabus contents | >85% <input checked="" type="checkbox"/> 60-84% <input type="checkbox"/> <60% <input type="checkbox"/> |
| % Assessment coverage the syllabus topics | >85% <input checked="" type="checkbox"/> 60-84% <input type="checkbox"/> <60% <input type="checkbox"/> |

| | | |
|--------------------------------|----------------------------------|-------------------------------------|
| Teaching and learning methods: | Lectures: | <input checked="" type="checkbox"/> |
| | Practical training / laboratory: | <input checked="" type="checkbox"/> |
| | Seminar / workshop: | <input checked="" type="checkbox"/> |
| | Class activity: | <input checked="" type="checkbox"/> |
| | Case Study: | <input checked="" type="checkbox"/> |
| | Other assignments / homework: | <input checked="" type="checkbox"/> |
| Weighting of assessments: | Final- term examination | 50% |
| | Oral examination | 20% |
| | Practical examination | 20% |
| | Activites | 10% |

3-Available facilities for teaching

| | | | |
|----------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------|--------------------------|
| 1.scientific refrences and books | Totally adequate | A dequate to some extent | Inadequate |
| | <input checked="" type="checkbox"/> | <input type="checkbox"/> | <input type="checkbox"/> |
| 2.Facilities and teaching materials | Totally adequate | A dequate to some extent | Inadequate |
| | <input type="checkbox"/> | <input checked="" type="checkbox"/> | <input type="checkbox"/> |
| 3-Administrative constraints | List of difficulties encountered: 1) In-efficient and prolonged purchase regulations and financial problems is still available and always delayed. 2) Deficiency in the number of farm animals necessary for practical training of the students. 3) Lack in the number of assistants and technical employee in the Department. | | |
| 4-Student evaluation of the course(%) | 75% | | |

| | |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 5-Suggestions for improving the course | 1. Updating course contents continuously to be in accordance with the requirements of work market, 2. Concentration on supplying the students with advanced diagnostic and surgical skills. |
| 6-Comments of external evaluator (if present) | |
| 7- What has been implemented for development proposals in the previous year | <ul style="list-style-type: none"> • Application of innovated learning methods and increasing the practical demonstration |
| 8- What has not been implemented proposals (What are the reasons?) | <ul style="list-style-type: none"> • Supplying educational hospital with advanced x- ray machine and ultrasound device due to financial problems |

9-Action plan for academic year 2016 – 2017

| Areas of development | Development specification | Development date | Person responsible |
|--------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------|------------------|--------------------|
| Updating the the diagnostic tools in the field of surgery by: purchasing an advanced x- ray machine and Ultrasound device. | Supplying the students with skills related to surgery. | 2015-2016 | All staff |
