رئيس قطاع الشؤون الثقافية والبعثات

السيد الأستاذ الدكتور/ مصطفى رفعت

أمين المجلس الأعلى للجامعات

تحية طيبة وبعد،،،

يطيب لي أن أهدي سيادتكم خالص التحية والتقدير متمنياً لسيادتكم دوام التوفيق والسداد.

أتشرف بإفادة سيادتكم أنه ورد إلينا كتاب المركز الثقافي المصري باسطنبول/ تركيا بشأن ماورد من إتحاد الباحثين الدوليين International Researchers Association والمتضمن دعوة للتعاون في الإعلان عن المؤتمر الدولي الثامن للعلوم الزراعية والبيولوجية وعلوم الحياة AGBIOL 2026 والمقرر عقده بمدينة اسطنبول/ تركيا خلال الفترة من ٦ - ٩ سبتمبر ٢٠٢٦، بالتعاون مع جامعتي بيكنت وراكيا، وذلك على النحو الموضح بالمرفق.

برجاء التفضل بالتوجيه بإتخاذ ماترونه سيادتكم مناسباً في هذا الشأن، علماً بأنه قد تم مخاطبة الجهات المعنية بهذا الخصوص، وسوف نوافي سيادتكم بالرد فور وروده إلينا.

وتفضلوا بقبول وافر الإحترام،،،

مساعد الوزير للعلاقات الثقافية والبعثات

سعادة الأستاذ الدكتور/ أيمن فريد

مساعد معالي الوزير للعلاقات الثقافية والبعثات- رئيس القطاع

يطيب لي أن أقدمه لسيادتكم بأسمى آيات التقدير والاحترام،،،

الموضوع: المؤتمر الدولي 2026 AGBIOL

بالإشارة إلى ما ورد إلى المركز الثقافي بإسطنبول من اتحاد الباحثين الدوليين (International Researchers Association)، والمتضمن دعوة للتعاون في الإعلان عن المؤتمر الدولي الثامن للعلوم الزراعية والبيولوجية وعلوم الحياة (AGBIOL 2026)، والمقرر عقده بمدينة إسطنبول/تركيا خلال الفترة من 6 إلى 9 سبتمبر 2026، وذلك بالتعاون مع جامعتي بيكنت وتراكيا،

أتشرف بالإحاطة بأن المؤتمر يُعد من الفعاليات العلمية الدولية المتخصصة في مجالات العلوم الزراعية والبيولوجية وعلوم الحياة، ويستهدف مشاركة الباحثين وأعضاء هيئة التدريس، مع إتاحة فرص للنشر العلمي في مجلات دولية مفهوسة ضمن قاعدة (Scopus)، فضلاً عن إمكانية المشاركة بالحضور الفعلي أو عن بُعد.

كما أفادت الجهة المنظمة بأن آخر موعد لتلقي الملخصات والتسجيل المبكر هو 30 يوليو 2026، على أن يتم التسجيل وإرسال الأبحاث من خلال الموقع الرسمي للمؤتمر:

<http://www.agbiol.org>

وفي ضوء ما تقدم، أتشرف بإحاطة سيادتكم بما ورد إلى المركز في هذا الشأن، راجياً التكرم بالنظر والتوجيه بما ترونه مناسباً بشأن الدعوة، ومدى إمكانية الاستفادة منها في دعم المشاركة الأكاديمية والبحثية.

ومرفق لسيادتكم طيه كافة البيانات والتفاصيل الواردة من الجهة المنظمة.

وتفضلوا سيادتكم بقبول فائق الاحترام والتقدير،،،،

تحريراً في: 2026-4-28

INTERNATIONAL RESEARCHERS ASSOCIATION

Edirne, TURKEY

www.intral.org

Reference No: 2026/7

14 April 2026

Egyptian Cultural and Educational Relations Center

Istanbul, TURKEY

Our association was established in Edirne in 2023 with the aim of "enabling and developing scientific research activities at national and international levels and supporting individuals and organizations working in this field." Currently, our association publishes the "International Journal of Innovative Approaches in Agricultural Research," indexed in Scopus and TR Index, in English under the name "Helia," in collaboration with the International Sunflower Association. To date, our association has organized numerous events in cooperation with Trakya University, Beykent University and with other International Institutions.

We have organized seven AGBIOL conferences in Edirne and İstanbul, three BIOLIC Congress in Antalya also some other events until today. We are organizing VIII. International Agricultural, Biological and Life Sciences Conference (AGBIOL 2026) which will be organized by International Researcher Association and Istanbul Beykent University and Trakya University, Edirne, Turkey. Our meeting is a premier international science, technology and business forum focusing on Agriculture, Biology and Life Sciences and is a SCOPUS Index Conference. We would like to distribute our announcement in your network and lead your researchers to join our conference in Egypt. You can find the information about our conference.

We will really appreciate your support and waiting your support.

Sincerely Yours.

Prof Dr Yalçın KAYA

The President of Association

Adres: İstasyon Mah. Eski Tekirdağ Caddesi, 11 /1-1, Merkez, Edirne

AGBIOL 2026

VIII. International Conference on Agricultural, Biological and Life Science

Istanbul, Turkey, 06-09 September, 2026

www.agbiol.org

Dear Colleagues,

We invite you to VIII. International Agricultural, Biological and Life Sciences Conference (AGBIOL 2026) which will be organized by International Researcher Association and Istanbul Beykent University and Trakya University, Edirne, Turkey. Our meeting is a premier international science, technology and business forum focusing on Agriculture, Biology and Life Sciences. Our conference is a SCOPUS Index Conference.

The first AGBIOL conference has been organized in 2018 in Edirne, Turkey by Trakya University, with over 400 participants with over 800 papers. AGBIOL 2020 Conference was organized online in September 1-3, 2020 in Edirne, Turkey due to Covid 19 conditions with 480 abstracts with 1100 authors from 55 different countries in all parts of the world. Our e-conference was one of the biggest online conferences in recent years in the world with 333 oral, 147 e-poster presentations. In our AGBIOL 2021 conference even in Covid 19 pandemic was organized with worldwide participation from 44 countries with 421 papers by contributing 1066 authors and with 288 oral, 133 e-poster presentations. AGBIOL 2022 conference was organized with a worldwide participation from 44 countries over 522 papers contributed by over 1300 authors. AGBIOL 2023 was organized worldwide participation from 33 countries with 833 papers contributed by over 2000 authors in last year as record participation. There was a worldwide participation from 55 countries 835 papers contributed by about 2000 authors with 522 oral and 311 poster presentations in AGBIOL 2024 as record participation. The AGBIOL 2025 was organized with worldwide record participation from 60 countries 988 papers contributed over 2300 authors with 400 oral and 588 poster presentations in Istanbul, Turkey. The AGBIOL 2026 will be normal participation as well as with online participation in Istanbul Beykent University Taksim Congress Hall in Istanbul, Turkey on 06-09 September, 2026. The program will include oral talks by invited prominent scientists and oral and e poster presentations by participants in selected topics from the submitted abstracts focusing on Agriculture, Biology and Life Sciences topics.

With care for our nature and environment, we aim the green congress, meaning that as little as possible papers will be used. Abstract book and full proceedings book will be published in e-book and will be distributed to the participants by e mail. All the e-posters should be prepared then submit to via the conference e mail and will exhibit in electronical poster boards in congress center as well as in online e poster in our web page during the conference.

Abstracts Deadline and Early payment is July 30th, 2026.

GALA DINNER at BOSPHORUS YATCH, September 8, 2026, Including the registration fee

Each participant could join up to two papers with one paid participation fee.

The preferable conference presentation language is English, but Turkish and French will be also acceptable. Same language presentations will be organized in separate virtual or normal sessions. However, please keep in mind that all the submitted abstracts and full papers must be in English only.

The participants with paid conference fee will be able to access all the virtual and normal presentation talks in each session, as well as to visit the virtual poster hall via preliminary provided participant ID and codes for online participants as well as for normal participants in conference site. The best posters presented by students will be selected and be awarded. The

Adres: İstasyon Mah. Eski Tekirdağ Caddesi, 11 /1-1, Merkez, Edirne

E-mail: yalcinkaya@trakya.edu.tr, yalcinkaya22@gmail.com, Cep Tel: +90 542 2828184

attendees will have ample opportunities for learning, reconnecting, engaging and networking with colleagues from academia and industry as well as meeting with various exhibitors. All virtual and normal participants will receive participation certificates and a copy of Conference Abstract and Proceedings Book, which will be send as PDF file via e-mail. The abstracts will be published in the Conference Abstract and Proceedings Book. Participants might send us their full papers, which based on their preferences will be published either in our Conference Proceedings Book or in selected International Indexed Scientific Journals. Our Congress Abstract and Full Paper Proceeding Book will be published CAB Abstracts after the congress.

If you choose to publish in Journal please submit directly until September 1st; as free of charge;

In Agricultural Subjects: The International Journal of Innovative Approaches in Agricultural Research (IJIAAR) (Indexed in TR Dizin)

In Plant Breeding Subjects: Ekin Journal of Crop Breeding and Genetics

In other Areas: International Journal of Innovative Approaches in Science Research

In other Areas: Trakya University Journal of Engineering Sciences (It could be Turkish full paper too).

Related Soil Science: Journal of Soil Science and Plant Nutrition (Indexed in TR Dizin) (It should be Turkish full paper too).

The best three selected full papers related to soil science and plant nutrients will be published in Scopus indexed Journal; Eurasian Journal of Soil Science

The best three selected full papers related to biodiversity, genetic resources and conservation, plant genetics and breeding will be published in Scopus indexed Journal: Notulae Scientia Biologicae

The best three selected full papers related to geodesy, topography, GIS, UAV in any field of symposia will be published in the Journal: Nova Geodesia

Conference fee:

Early Payment (Before July 30th); 150 Euro.

Late and On Site Payment (After July 30th); 180 Euro.

For Students; Early Payment 100 Euro; Late and on Site Payment 130 Euro.

Online Early Payment (Before July 30th); 100 Euro.

Online Late Payment (After July 30th); 150 Euro.

Online for Students; Early 50 Euro, Late 75 Euro.

PUBLISHING SCOPUS INDEX PAPER Fee 75 Euro Extra
