2nd scientific skills

1- Teaching

Theoretical and practical courses

a- Undergraduate

- Poultry production 1 (basics of poultry production including feeding, breeding and poultry care).
- Poultry production 2 (basics of poultry production - for Special students Branch and includes breeding and poultry care).
- Production of poultry 1.2 (breeding and genetics of poultry).
- Production of 1.1 poultry (poultry farms management).
- Production of poultry 1.1 (spawning and incubation).

b- Post graduate

- Production of poultry 1.1 (Advanced poultry genetics).
- Production of poultry 2.4 (Advanced poultry feed)
- Production of poultry 2.2 (Advanced poultry breeding).
- Statistics 2.2 (statistical design of animal feed and breeding experiments).

c- Teaching outside the faculty

- Basics of animal and poultry production including feed, breeding and care of poultry at Faculty of Education Kafrelsheikh University.
- Poultry production course for students of Agricultural Division at Faculty of Education Kafrelsheikh University.
- Seminars course of the Higher Institute of Social Service in Kafrelsheikh.

d- Exams and Committee

- Participation in the work of the exams and controls within the college, as well as other colleges within the university.
- Participate in the preparation of 2 notes for basics of poultry production course.
- member of the Faculty Council and Committees of Library, Education & students affairs and community service and environmental development
- Chairman and member of controls of some university faculties.
- Participation in the discussion and arbitration more than 20 Master and PhD in the field of poultry in Egyptian universities.
- Participation in 12 international scientific conferences and (17) Local scientific conferences and (9) international conferences for quality assurance.

CV

Prof.Dr. Reyad Youssef Nofal

- participation in the membership and attendance of (٤٥) scientific symposium and a lecture.
- Participating in research arbitration to upgrade ٦ of faculty members to the rank of Assistant Professor and Professor in the Scientific Committee in the field of animal production and poultry during the eleventh cycle (٢٠٠٨-٢٠١٣) & (٢٠١٣ to ٢٠١٥).

٢- Leadership Skills

- a. Head of the Poultry Research unit in Department of poultry production, Faculty of Agriculture, Tanta University from ٢٠٠٢ until ٢٠٠٤.
- b. Director of FLDC at the Kafrelsheikh University from ٨/٨/٢٠٠٦ till ١٢/٣١/٢٠١٠.
- c. University Coordinator at the National Authority quality assurance and accreditation of education (NAQAAE) from May ٢٠٠٨ and up to date.
- d. Director of International FLDC at the Kafrelsheikh University from ١/١/٢٠١١ till ٣١/٧/٢٠١٢.
- e. Director of Quality Assurance Center of the University from ٠١/٠٨/٢٠١٢ and up to date.

٣- Training and Human Resources Development

Internationally certified trainer at NCFLD in the Middle East and North Africa) as a branch of the International Council of Certified Trainers in America (IBCT). Participate in ١٥٢ training day for different categories of faculty members (Professor – Assistant professor - lecturer - Assistant Lecturer - Teaching Assistant), as well as the university administrative hierarchy (General Director - department director - specialist - Technicians) as follows.
