

### **Program Admission Requirements:**

The students could admit to join the veterinary Medical Science Program if they have one of the following certificates:

- 1- The National General Secondary School certificate (Science branch) with the grades stated by the central admission office.
- 2- A certain limited number of students with a Secondary School certificates from the Arab countries could also be enrolled (the percentage differs from year to year and determined by the Ministry of Higher Education).
- 3- Students with equivalent degrees like American diploma or IGCSF could be enrolled (the percentage differs from year to year and determined by the Ministry of Higher Education).
- 4- Students could be transferred from one of the equivalent national veterinary faculties to the same year if his condition is at least passed and his/her social and /or health status require this transfer.

### **Regulations for progression and program completion:**

The policy of student retention and progression are determined according to the university regulations. Promotion to the next year requires that student passes either without failed courses or with no more than two failed courses. Students transferred with failed courses must enter make-up examination in these courses in proper semester. However, the final year students who have failed in one or two courses will take their make-up exam in the same year. After four successive opportunities for examinations in the failed course(s), the student should become external then if he succeeded he should return to the regular system.
