

## **Prof. Dr. EL-Sayed Mohamed Fattouh**

**Department of Theriogenology, Faculty of Veterinary**

**Medicine, Kafrelsheikh University, Egypt**

**Birth date: 23-3-1951**

**Appointment date: 25-8-1992**

**Address: El-Reyad, Kafrelsheikh, Egypt.**

### **Publications List**

1. Karen, A.M.; **Fattouh**, EL-S.M. and Abu-Zeid, S. S. (2009). Estimation of gestational age in Egyptian native goats by ultrasonographic fetometry. Animal Reproduction Science, 114: 167–174.
2. **Fattouh**, E., Seror, B.; El Keraby, F., Karen, A. (2008). Evaluation of three protocols for treatment of retained fetal membranes in dairy cattle. XXV World Buiatric Congress, 2008, Budapest, 6–11 July (Abstract).
3. Ramoun, A. A.; S. A. Darweish; H. A. Abou El-Ghait and El-S. M. **Fattouh** (2006). Effect of enhancement of uterine involution and earlier initiation of post-partum cyclicity on the reproductive performance of buffalo. Reproduction, Fertility and Development, 18: 545–550.

4. Torner, H; Heleil, B.; Alm, H., Ghoneim, I.M.; Srsen, V., Kanitz,W.; Tuchscherer, A.; **Fattouh**, E.M. (2003). Changes in cumulus-oocyte complexes of pregnant and non-pregnant camels (camelus dromedarius) during maturation in vitro. Theriogenology 60: 977–987.
5. **Fattouh**, EL-S.M and Abdou, M.S.S (1991). Effect of Caffeine on the post-thaw motility of buffalo spermatozoa. Theriogenology, 36 (1): 149–154.
6. El-Baghdady, Y.R.M; **Fattouh**, EL-S.M; El-Ekhnawy, K.I.; Ayoub, M.M., and Bedeir, L.H.(1990). Role of oxytocin and / or PGF2  $\alpha$  on Breeding Efficiency in buffaloes. Br. Vet.J., 146: 577–581(Part of Thesis).
7. **Fattouh**, EL-S.; El-Menoufy, A.A. and Aboul-Ela, A. (1988). In vitro effects of exogenous FSH and/ or LH on the viability of buffalo spermatozoa. 2<sup>nd</sup> world Buffalo Congress, December, 12-17. India (Abstract No. 30).
8. Ghallab, A.M;**Fattouh**, EL-S.M., and El-Wishy A.B. (1987). The effect of sequence of ejaculation on frequency of sperm abnormalities in bulls. Br. Vet. J., 143: 70–74.
9. El-Menoufy, A.A; Seida, A.A.; **Fattouh**, EL-S.M. and Abou-Ahmed, M.M. (1986). Effect of Caffeine on metabolic activity of ejaculated and epididymal spermatozoa of buffalo (Bubalus Bubalis). Zuchthyg 21: 214–219.
10. El-Wishy A.B.; **Fattouh**, EL-S.M.; Ghallab, A.M.; Seida, A.A. and Abou-Ahmed, M.M. (1985). Induction of estrus in suboestrous buffaloes with Cloprostenol (Estrumate; I.C.I). First world buffalo congress Cairo, Egypt, PP.971–975.
11. Ghallab, A.M.; EL-Menoufy,A.A; **Fattouh**, EL-S.M.; and El-Wishy A.B. (1985). Synchronization of estrus in buffaloes (Bubalus bubalis) using norgestomet and cloprostenol. First world buffalo congress Cairo, Egypt, PP. 984–993.
12. Ghallab, A.M; EL-Menoufy, A.A; **Fattouh**, EL-S.M.; Nasr, M.T. and Ott, R.S. (1985). Fertility of buffaloes following synchronization of estrus with norgestomet. First world buffalo congress Cairo, Egypt. PP. 976–983.

13. Heleil, B. A., El-Kon I.I., Serur B.H., **Fattouh**, EL-S., and Eldeeb Y. (2005). Studies on some physical and biochemical attributes of cervical mucus in normal and repeat breeder cows. Egypt. J. Basic Appl. Physiol., 4 (2): 289–301. (Part of Thesis).
14. Ramoun, A.A; **Fattouh**, EL-S.M. and Zidan, T. (2003). Effect of dystocia, retention of fetal membranes and postpartum metritis-pyometra complex on the reproductive performance of Holstein cows. Society of physiological sciences and their applications, 1<sup>st</sup> scientific conference 5-9 August, PP.127–137 (Part of Thesis).
15. Heleil, B, Torner, H.; Mahmoud Sh. A., Alm, H., **Fattouh**, E.M. (2003). Influence of follicle size on quality of cumulus oocyte-complexes and concentration of steroids of follicular fluid in buffalo. Kafr El-Sheikh Vet. Med. J., 1, 345–362.
16. **Fattouh**, EL-S.M and Abdel Azeez, A. (2002). Some metabolic aspects of camel (Camelus Dromedarius) epididymal spermatozoa. Egypt. J. Basic and Appl. Physiol., 1: 231–238.
17. **Fattouh**, EL-S., and Ramoun, A.A. (2001). Comparative study on artificial insemination and natural service in cows and buffaloes in Kafr EL-Sheikh province. Zag. Vet. J., 29 (1): 1–7.
18. Ramoun, A.A.; Saad, M.F.; Hegab, A.O., and **Fattouh**, EL-S.M. (2000). Effect of Bromocryptine and Cimetidine on Testosterone Concentration and semen quality in Balady Bucks. J. Egypt.Vet .Med. Ass., 60 (7): 115–127.
